Article 28 – The Right to Education

Rationale

The aim of the anti-bullying policy is to ensure that children learn in a supportive, caring and safe environment without fear of being bullied. Abbey Primary School has a zero tolerance attitude to bullying.

Definition

Bullying is anti-social behaviour and affects everyone; it is unacceptable and will not be tolerated, whether it is physical, sexual, verbal or psychological.

Bullying is defined as deliberately hurtful behaviour, **repeated over a period of time**, where it is difficult for those being bullied to defend themselves.

The four main types of bullying are:

- Physical (hitting, kicking, theft)
- Sexual (problematic / harmful behaviours')
- Verbal (name calling, racist remarks)
- Psychological (spreading rumours, excluding someone from social groups).

Children must be encouraged to report bullying in school to a teacher or staff member.

This policy is designed to ensure that as a school we are alert to signs of bullying and act promptly and firmly against it.

Why is it Important to Respond to Bullying?

Bullying hurts; no one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Children who are bullying need to learn different ways of behaving. Bullying can cause stress and can affect a child's health.

Schools and parents have a responsibility to respond promptly and effectively to issues of bullying. Parents are politely requested not to approach children with regards to inappropriate behavior but to inform the Headteacher.

Aims

At Abbey Primary we aim to:

- To respect individuals.
- Promote a secure and happy environment free from threat, harassment and any type of bullying behaviour.
- Ensure all teaching and non-teaching staff, children and parents have an understanding of what bullying is. Inform children and parents of the school's expectations and to foster a productive partnership, which helps maintain a bully-free environment. Show commitment to overcoming

bullying by practising zero tolerance. Identify and deal with incidents of bullying consistently and effectively.

Signs and Symptoms

A child may indicate by signs or behaviour that he or she is being bullied. Adults should be aware of these possible signs and that they should investigate if a child:

- is frightened of walking to or from school
- begs to be driven to school
- changes their usual routine
- is unwilling to go to school (school phobic)
- becomes withdrawn anxious, or lacking in confidence starts stammering
- attempts or threatens self-harm
- cries themselves to sleep at night or has nightmares/bedwetting
- regularly feels ill in the morning
- begins to do poorly in school work
- comes home with clothes torn or books damaged
- has possessions go “missing”
- has unexplained cuts or bruises
- becomes unreasonable when dealing with school issues
- stops eating
- is frightened to say what’s wrong
- gives improbable excuses for any of the above

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated.

Prevention

To fulfill our aims, the following strategies are used:

- A structured programme to raise self-esteem in children. Nurture, Play therapy, Social Skills and Forest School Provision. For more details on the school’s ‘positive approach’ programme please see the school’s behaviour and discipline policy.
- Constant monitoring of school buildings and grounds to ensure a safe and secure environment is maintained.
- Involvement of all school staff to ensure a consistent approach is in evidence
- An open door policy in the school.
- Encouraging children and parents to report bullying.
- Raising awareness of bullying.
- Paired learning and buddy systems.

Procedures

It is recognised that incidents of bullying occur in all schools. It is essential that all such incidents are taken seriously and dealt with in an appropriate manner. A child or parent may report an incident

to any member of staff, but the responsibility for ensuring all incidents are consistently dealt with lies jointly with the class teacher, and the Headteacher.

The class teacher and Headteacher will be in charge of the recording (SIMS) and overseeing of incidents. (further detailed observation notes may be required in addition to SIMS records depending on the severity of the bullying). The Headteacher will be responsible for embedding anti-bullying awareness in the policies and practices of the school.

The following steps may be taken when dealing with incidents:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached.
- Staff investigate alleged bullying by consulting the victim(s). Appendix 1 provides a checklist for investigating an incident.
- If it is felt that an incident of bullying has taken place, then it will be taken seriously and investigated. A member of staff wishing to report an incident of bullying should approach the Headteacher.
- The member of staff and the Headteacher should reach an agreement as to whether this incident constitutes bullying or should be addressed as an incident of poor behaviour.
- If deemed to be bullying, the Headteacher will speak to the pupils involved and proceed accordingly. If the matter can be resolved in school without the need for parental contact then this will be done and monitored by the appropriate member of staff and Headteacher. It may be decided that parents should be informed immediately and this will be done by the Headteacher. A written copy of events will be kept and this will be updated until the situation has been resolved.
- In serious cases parents will be informed that their child has been subject to bullying. The parents of the perpetrator(s) will also be contacted via telephone or letter and offered a meeting with the Headteacher to discuss incident.
- Sanctions will be used as appropriate and in consultation with all parties concerned in accordance with the school's behaviour and discipline policy and in consultation with the local authority.

Support

Victim

A safe environment gives messages to those who may be targeted that they have rights to be safe and permission to raise concerns no matter how low key or the nature of the bullying – physical, sexual, verbal or psychological.

Support for the victim is essential both immediately following the incident and during an agreed period of review. Peer support, staff support, parental support and outside agency support may all be essential to ensure that the victim does not suffer any long term effects.

After a period of time staff will meet with the victim to reassess the situation and the relationship between those involved.

Children who have been bullied will be supported by: Offering an immediate opportunity to discuss the experience with a member of staff of their choice

- Reassuring the child
- Offering continuous support
- Restoring self-esteem and confidence

Within the curriculum the school will raise the awareness of the nature of bullying through inclusion in assemblies and subject areas, as appropriate, in an attempt to eradicate such behaviour.

Perpetrator(s)

It is recognised that support must be given to the perpetrator. Disciplinary procedures against the perpetrator(s) are intended to change or modify behaviour rather than label anyone as a bully. Such procedures may include:

- Positive behaviour strategies
- Withdrawal of activities
- The establishment of mentoring or a buddy system
- Discussion about the effects of bullying
- Peer mediation
- Involvement of other agencies and services such as an Educational Psychologist and the Behaviour Support Team
- Working within a small group with the Behaviour and Support Teaching Assistant

Staff Responsibilities

All staff will be kept abreast of current thinking with regard to anti-bullying and if required, support will be given to implement this policy. All staff will be made aware of the implications of the school policies to bullying and racism.

Staff will be offered training on tackling bullying and safeguarding throughout the year or through professional development courses.

Governor Responsibilities

Cllr. Mike Harvey, Chairperson to the governing body is appointed Behaviour Governor. He meets with the Headteacher on a weekly basis to monitor behaviour issues through the school.

Monitoring, Evaluation and Review

The school will review this policy annually and assess its effectiveness. The policy will be promoted and implemented throughout the school.
